World Day of Remembrance for Road Traffic Victims and Families

The Antigua & Barbuda Road Safety Group would be hosting World Day of Remembrance for Road Traffic Victims which takes place on Sunday November 17th, 2013. The World Day of Remembrance for Road Traffic Victims takes place on the third Sunday in November every year as the appropriate acknowledgment of victims of road traffic crashes and their families. It was started by Road Peace in 1993 and was adopted by the United Nations General Assembly in 2005.

As part of the ceremony 27 flowers depicting the logo of a flower will be planted for 27 road deaths over the last five years in Antigua under a theme “REMEMBER ME”

Families and victims are invited to attend this ceremony which will be held on the Old Parham Road next to the Global Road Safety Billboard situated on the Island next to Evon Printery At 4pm on Sunday 17th November, 2013.

Candles will be lit by the flower, reflecting on the remembrance of each road death victim. The World Day of Remembrance plaque will be available for signing the names of victims who died and flowers will be placed.
