**Re: Invitation to Annual Meeting of Transport & Travel Wing (RERF), at Brahma Kumaris Centre in Kochi**

Dear Divine Brother Dr. Mohammed Najeeb ji,

Greetings of Peace from the Brahma Kumaris!

As you may be aware, the Transport and Travel Wing (TTW) of RajYoga Education & Research Foundation (RERF), a sister organisation of Brahma Kumaris has been actively involved in promoting road safety awareness since year 2006. We have designed a comprehensive project - **Safety Through Spiritual Life-Skills** in alignment with the UN Decade of Action for Road Safety (2011 – 2020).

This project highlights the importance of a stable mind, clear intellect and responsible action as precursors to road safety. The overall aim is to reduce the incidence of road accidents in India by inspiring and educating individuals to practice road safe behaviour. We offer practical solutions on a spiritual platform, not only to increase awareness and concern amongst the masses, but also to strengthen individuals to practice improved road behaviour. We offer, as well as seek close co-operation with civil society, local and national governments, to work together and move closer towards a safe tomorrow.

We have organized an annual meeting of TTW members at Kochi, Kerala on 6<sup>th</sup> and 7<sup>th</sup> December. All the core members of the national team who are active in taking forward the Road Safety project will be present at Kochi. We warmly invite you to participate and share your views at the meeting. **It is our humble request that you may be present at the inauguration at 5 pm on Friday, 6<sup>th</sup> December 2013.** If this date and time does not suit you, then you may share your convenient time for the 7<sup>th</sup> December 2013. We look forward to your warm presence at the meeting. We hope to receive a positive reply soon.

Thanking You,  
In Service of Humanity,
