

# Aiming for **ZERO** fatalities from road traffic crashes

## "World Day of Remembrance for Road Traffic Victims" Symposium

Imagine which crime has the most lost of lives.

"Traffic Crime" does.

What should be done in order to mourn many victims of the vehicle-oriented society and approach to "No More" such grief?

Let us, family members of the victims who were forced to experience such sorrow and you who are trying to stop such tragedies, come up with our ideas of what we can do and what should we do....
