

World Day of Remembrance for Road Traffic Victims

19 -20 November 2016

ALINAGNON in collaboration with the CNSR and other road safety actors organized the activities of the WDR which are also part of the 5th edition of the African Road Safety Day. National and international media have been heavily involved in impacting road users.

The 19th November was being marked by the flames of hope from 20h to 23h in the biggest stadium in Benin still known as the stadium of “ General Mathieu KEREKOU”.

This evening for the good cause hosted a small concert and a caravan with posters in hand. The number 700 formed by the volunteers illustrates the annual minimum number deaths by road accidents in Benin. Candles and lanterns were also lit to pay tribute to the victims of road

The number 700 was formed with the members of the NGO ALINAGNON, of the CNSR and the other actors to represent the minimum number of deaths by road accident in Benin.

The day of 20 November 2016 was marked by a caravan accompanied by the authorities of CNSR, NGO ALINAGNON and road safety actors.

With more than 500 participants, the caravan started at "Etoile Rouge" and ended at "Carrefour La Vie"

Laying of wreath by the Coordinator and the authorities present at "Carrefour La Vie", formerly known as "Carrefour La Mort" in honor of the road victims.

Artists to pay tribute to road victims.

Messages from authorities, given by the Director of the CNSR, the Director of Cabinet of the Ministry of Transport, the Representative of the National Police and followed by the Advocacy of the Coordinator of the NGO ALINAGNON.

The NGO ALINAGNON has chosen one of the biggest hospitals in Cotonou to testify its support to the victims of the road by advice and financial assistance.

This beneficiary in the picture above lost in the past his right foot in a road accident, he has just undergone another accident that touches his second foot.
